

CALL FOR INTERNATIONAL PUBLIC BID

Consolidated procurement of medical aid supplies for the Health System corresponding to the supply of the year 2021

Mexico, December 12th, 2020

On July 31st, 2020, the Government of Mexico, through INSABI and the United Nations Office for Project Services (UNOPS) signed an agreement for the management of the consolidated procurement of medicines and medical aid supplies in Mexico for the period 2021-2024.

In this context, UNOPS invites Mexican and international suppliers of medical aid supplies, interested in the international public bidding processes that are identified with the following references: **ITB/2020/18035**; **ITB/2020/18036**.

Those interested in participating must register in the United Nations Global Portal for Suppliers (*United Nations Global Marketplace, UNGM*) accessible through <https://www.ungm.org>, which allows the viewing of complete information regarding UNOPS calls for participation. To access the information in this call for bids, interested parties must visit the link <https://www.ungm.org/Public/Notice>, search for the calls with the reference(s) **indicated above** in the **Reference** field, indicate **Express interest** and enter the option **View documents**.

All offers must be submitted through the UNOPS eSourcing system, accessible through UNGM or directly at the link <https://esourcing.unops.org> before the date and time indicated there.

For more detailed information on the use of the UNOPS eSourcing system, the **User Guide** available at <https://esourcing.unops.org/#/Help/Guides> can be consulted, in which it is detailed how an interested party can: a) Register in UNGM, b) View the complete information related to any call for bids: General information, Detail of the announcement, Evaluation criteria, Documents and Reviews, c) Make inquiries about this call for bids; and, d) Respond to this call for bids.

Access to the bidding documents as well as the eSourcing and UNGM guides is completely free.
